Championships

Registration of Team

All fields are required, and the logo is essential for conveying the colors and identity of your team.

Please ensure that the data entered in the Cell Phone and E-mail fields is accurate, as the Championship Administration may need to contact you using these communication methods.

The image shows a smartphone screen with a registration form titled "Inscrições do Time". The form is set against a light purple background. At the top, there is a back arrow and the title. Below the title is a section "Escolher Logo/Brasão do Time" featuring a square placeholder with a mountain icon and a small edit icon in the top right corner. Following this are five text input fields, each with a label and a required field asterisk: "Nome do time *(Obrigatório)", "Nome do clube *(Obrigatório)", "Celular *(Obrigatório)", "E-mail *(Obrigatório)", and "Nome do Responsável do time *(Obrigatório)". Below these fields is a section "Selecione a categoria" with a dropdown menu currently showing "SUB 13 ↓". At the bottom of the form is a dark blue button with the text "Enviar Inscrição".

Payment for Registration

Upon team registration, a payment fee will be required, which can be submitted using a PIX key.

Select the team and make the payment to acquire the key. Payment for the generated key must be completed within 24 hours. Failure to do so will require generating a new key, which will also expire within 24 hours. Non-payment by the registration deadline will result in exclusion from the championship, as per the competition's terms and policies.

Athlete Enrollment

All fields marked with an asterisk (*) are required.

The shirt size and gender fields are crucial for the administration to prepare the event kits and organize teams by categories.

The athlete's image is crucial to ensure that all printed materials accurately portray the athlete.
